# What is Discourz

**01**

We build a debate website to let all the students to freely discuss hit and hot topics on campus. We allow students to share opinions and poll topics.

# Why Discourz?

**02**

We are different than others. We are providing a live debate/discussion which we hope it will encourage people to actively engage to a debate more. We use more friendly user interfaces.

# For who?

Everyone who likes to share and discuss with other people who may or may not agree! But now we only focus on around campus community such students and faculties.
